WHO ARE WE?

A TEAM OF LEADERS

ELEVATE YOUR MIND ELEVATE YOUR BODY ELEVATE YOUR GAME ELEVATE YOUR LIFE

We are a girl's travel lacrosse program focused on developing the best student-athletes.

In 2019 & 2020 almost 100% of our recruitable girls went to a DI, DII or DIII schools for lacrosse.

We cater to multi-sport athletes who also happen to be very good lacrosse players.

Almost all of our current high school players play 2 or more competitive sports.

We are looking for great kids who come from great families.

Whether it be on the field, in class or in our community, we are a team of leaders.

TEAM ELEVATE

WHAT ARE OUR PRIORITIES?

*Through proper coaching and encouragement, it is our goal to **EMPOWER** our kids to be the best they can be in everything they choose to do. It is our goal to create a team of **LEADERS** who will lead both on and off the field.*

As much as we love the game of lacrosse, it is not our goal to make lacrosse the only aspect of our kids' lives or to make it a "forced" year round activity.

Our priorities are quite simple:

Family, School, School Sports, In Season Youth Sports & Team Elevate

We do our best to create a supportive and developmental focused environment.
